

day of

peace

A **Day of Peace** is a volunteer service opportunity coordinated by **Project Peace East Bay** that brings together East Bay community members, faith-based groups, non-profit organizations, and social service providers to meet community needs. A Day of Peace involves community “sweat equity” in activities such as landscaping, construction, painting, organizing classrooms, cleaning up a watershed, and more!

A Day of Peace is an opportunity for people from very different backgrounds to come together to love and serve our shared community. Whether you are a friend, neighbor, colleague, someone who cares very deeply about the agency that is being served, or someone who just wants to make new friends, the Day of Peace is a great place for you to get connected into cultivating more sustainable communities.

# project:peace

cultivating better communities

## **What is Project Peace East Bay?**

Project Peace East Bay has been active in Berkeley and Oakland since 2006, and was officially incorporated as a 501(c)3 California nonprofit in 2007. Since its founding, Project Peace has directly coordinated over 10,000 volunteer service hours to 22 East Bay social service providers.

## **Our Mission:**

Project Peace exists to create partnerships between local churches and services that work together for just and sustainable communities in Berkeley, Oakland, and surrounding areas.

## **Our Partners:**

Project Peace partners with churches and faith-based groups, social service providers, local businesses, and government agencies in order to create a network that works for the betterment of our East Bay communities and cities.
