A Revolution of the Heart

Project Peace East Bay has been active in Berkeley and Oakland since 2006.

Project Peace creates partnerships between churches, coporations, social service providers, and government agencies that work together for just and sustainable communities in Berkeley, Oakland, and surrounding areas.

We carry justice and mercy into action.

In the past 3 years Project Peace has provided over 10,000 volunteer service hours to 22 social service providers in the East Bay.
